TRIPSTER

HaaS Festival takes you home, with Tripster!

We know how to party, until late in the evening. Too late for you to catch your last train to Leeuwarden. But we'll order Tripster buses, if you want them.

Tell us below how much you would pay to be dropped off in Leeuwarden. If enough people in your area join, we will make sure your Tripster bus will be waiting for the last train at Zwolle.

I want to go to

I want to pay max euro

I think these are important:

Short travel time

You have a ticket! Public Transport X will bring you to your destination for EUR 20.

If more people join this Tripster bus, prices may fall even lower!
